CHERRYWOOD COFFEEHOUSE - OUTDOORS

WITH PERFORMANCES FROM:

ERIKA WENNERSTROM | NAGAVALLI

The genius of Democracy is that we all hold the power and lend it to one among us to use for our collective benefit. The current majority has forgotten that - abusing their power, pitting us against one another and ignoring even our most basic needs for health, warmth, and human dignity. I don't care whether you're a Republican or a Democrat, Libertarian or Independent. Help us get us back to Democracy for All.
